# Need Help Adding Pharmacies & Drugs to Your Medicare Account?

# Medicare

When you're shopping for plans at Medicare.gov/plan-compare, you can add your preferred pharmacies and any drugs you're currently taking to your secure Medicare account. This helps you get better drug cost estimates when reviewing your current plan or shopping for a new one.

#### How to add pharmacies

Visit Medicare.gov/plan-compare and log into your Medicare account (if you don't have an account, you can create one). Once you log in, you'll come to a summary page with your name and plan information at the top.

- 1. Scroll down to "Your pharmacy list."
- **2.** If you have at least one saved pharmacy, select "Edit My Pharmacies" to update your list. If you don't have any saved pharmacies, select "Add Pharmacies" to search for pharmacies near you and add your preferred pharmacies to your list.

## How to switch pharmacies while researching plans

During your plan search, you may notice your estimated drug costs change if you pick different pharmacies. This is because pharmacies may charge different prices depending on your plan. Here's how to switch pharmacies while you compare plans:
