THE NEW MEDICARE PLAN FINDER

Open Enrollment October 15 - December 7
For the first time in 10 years, Medicare’s most used tool, the Medicare Plan Finder has a new look and features.

WHY?

61 million people enrolled in Medicare

20 million people used Plan Finder during Open Enrollment 2018

10,000 people enroll in Medicare EACH DAY

25% of people used Plan Finder on a mobile device last year

40% increase of mobile users over 2017

Medicare.gov is now completely mobile optimized!

WHAT’S NEW?

Personalized search to find and compare plans

More information about extra plan benefits

Improved comparison of coverage options

Simpler drug list built from prescriptions you filled

More accurate drug pricing
